94104 20/04/10	Halvergate, Pilley Street, Pilley, Lymington, SO41 5QP	Replacement Dwelling	25/5/10	<b>Comment 4</b> - The proposed development seems to Boldre Parish Council as being overly intrusive in its setting by virtue of its height, a possible solution being alternative roofing material since modern ceiling height requirements mean a higher ridge height for thatch than that of a traditional cottage resulting in a disproportionately building.	14/06/10
95232 17/5/10	Boldre Grange, Southampton Rd, Boldre SO41 8PT	New Garage	15/6/10	<b>Comment 4</b> – Boldre Parish Council is very concerned at the proliferation of garages in the parish, many of which are replacements for previous buildings turned into accommodation. We would be less concerned if a restriction could be placed on this development ensuring it is more suitable to this rural setting e.g. wooden and maybe open sided as the application seeks permission for a car port/garage on the plan	14/06/10
95200	Boldre Lane Ho, Boldre Lane, Boldre SO41 8PA	2 Storey ext	14/6/10	<b>Comment 5</b> – Presuming that all previous extensions-including roof space – means that this does not exceed 30%	14/06/10
